Industry Insight: Distracted Driving

With respect to recent legislation, we want to address an important industry-related topic that affects everyone: **Distracted Driving**.

According to 2010 Minnesota statutes, the use of "electronic messages", which include text messaging, emailing and the use of the internet are illegal when a vehicle is in motion or a part of traffic. All cell phone use is illegal for drivers under the age of 18 in the state of Minnesota. These violations could result in fines up to \$300.

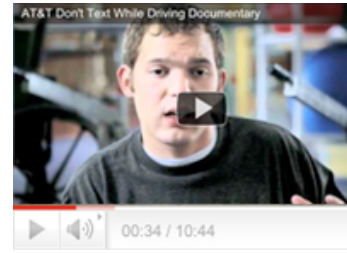

Cox Insurance has implemented a no cell phone while driving policy for all employees. Please join our efforts to keep the roads a safer place.
